

Editor's note: To fulfill the legal requirements, we are presenting the following Public Notice for four consecutive weeks. This Public Notice herein reproduces a legally binding document on the parties working as top-level management personnel. This is the fourth and final week of presentation.

—PUBLIC NOTICE—
MEMORANDUM OF AGREEMENT
NATIONAL SECURITY
(CONFIDENTIAL)
September 9, 1996

The following constitutes an agreement among the following parties: **E.J. Ekker, Doris Ekker, and Rick Martin**. These parties, signing as individuals, shall stand individually and jointly responsible for ONLY their actions as they apply to themselves individually or to any corporate entity wherein they are jointly corporate officers and/or directors. They shall NOT be responsible for the actions of ANY OTHER PARTIES nor shall they stand responsible for the actions of any alleged-owners, alleged-partners, trustees or beneficiaries. This agreement concerns transactions utilizing the instrument referred to as the Peruvian Bonus Certificate 3392-181, which originated in 1875 and was accepted as United States of America Treasury debt in 1906, and subsequently as debt of the Federal Reserve in 1913. Said debt, as accepted, is inclusive of all interest and penalties (as reflected in the calculations made on the Federal Reserve's own computer in Los Angeles, California in 1989 with members of the "intelligence" community present to monitor the activity). This agreement arises as result of several telephone conversations with authorities in the Treasury Department held over the past few weeks and is meant to memorialize those conversations for our own future use.

Since the debt was assumed prior to any other agreements involving monetary departments, divisions, or branches of government, it is a bonafide outstanding debt of the U.S. Treasury and the Federal Reserve System.

The applicable restrictions and limitations in this transaction will apply to all participants. Due to NATIONAL SECURITY considerations no input to change or remand the validity of the debt created by BONUS 3392 will be accepted from the COUNCIL ON FOREIGN RELATIONS, the UNITED NATIONS, or any other entity, foreign or domestic.

As a consideration of National Security (as well as Global Security), transactions WITHIN these guidelines will not be interfered with or blocked by the U.S. or its assigns. The consideration for such noninterference is that none of these contracts will be lodged for collection until such time as there is an additional agreement as to the lodging and honoring, through payoff, of the contracts.

Generally, it will be the practice of the Holder to expect the funder to provide loan capabilities and to purchase gold as needed wherever there is security; it is NOT required that the gold be housed within the U.S.

The Holder will not directly do business with any national group under sanction by either the U.S. or U.N. There is to be no restriction, however, on other parties or nations conducting business in their normal way. The Holder will conduct itself in the strictest accordance with all applicable laws.

The Holder has agreed to use its portion of funds for humanitarian purposes. No portion of its funds or assets will be used for purposes of ARMS ACQUISITION, WAR MAKING, OR THE OVERTHROW OR SUBVERSION OF ANY NATIONAL GOVERNMENT. However, the Holder has no way to police the use of funds by any other participating party.

We agree that we will issue no SINGLE deed in excess of \$10 billion (USD) and no group issue to a single entity of greater than \$1 trillion (USD)—per year. Preferably the deeds will be issued and utilized in increments which would be appropriate in "ordinary" working conditions. It is also agreed that in any one year there will be no more than \$5 trillion (USD) and there must be capability of the currency sources to issue funds timely. The understanding is that the documents themselves will be used as COLLATERAL so that it is not utilized as a "cash" demand or a "call" on the gold reserves. We, the below signed, herein agree that all transactions involving us, individually or as corporate representative, will be additionally backed by hard-metal gold (or other precious metal) totaling the full value of our portion, prior to any

line-of-credit being drawn-upon against the "bonus" collateral. If this is impractical at the time of a transaction, it will be accomplished as soon as possible.

Further, it is understood and accepted that any outside requests made to the U.S. Treasury for confirmation of the validity of the debt of Bonus Certificate 3392-181 will be met with denial and a "wall of silence" as is considered standard procedure in such matters concerning national security.

We, the below signed, attest that we will make it clearly understood to all participants wishing to utilize the Bonus Certificate 3392-181 for collateral that the debt is not to be "called" by those participants. However, we also clearly stipulate that once the deed has been issued, we are unable to control the actions of any other individual and/or corporate participant, and as such, we will not be legally held accountable for another's actions. We further stipulate that when functioning in our capacity as a corporate representative, we are protected under the laws governing the corporation to the full extent that such protection exists. Further, we will not agree to negate the value of the contracts if and when there should be a call on the Treasury, Federal Reserve or its owners. It is our understanding that the Federal Reserve has a working relationship with the Treasury Department regarding valid debt both prior to and following the Federal Reserve Act of December 23-24, 1913. We have not been made privy to those arrangements.

It is also agreed that in the event of a call for payment on this debt, negotiations can be entered into to accept currency of the date of demand rather than a full demand for payment in gold. In this instance, however, it must be noted, again, that the holders are not responsible for the use or intent of use of any participating entities who are not parties to this agreement.

We, the below signed, agree that we will affix our fingerprints to legal documents, agreements and understandings, and to all deeds to be utilized. We also agree to take such further security measures as are known to us to make the collateral instruments secure from forgery or duplication.

We, the below mentioned, do hereby sign this agreement being individually of sound mind and body, and do hereby do so under penalty of perjury under the laws of the State of California, the State of Nevada, the Federal Laws of the United States of America, and under the
